

AS THE SESSION COMES TO A CLOSE...

The Fall 2019 Session is almost over, and the Fromm Institute Admin team is busily preparing for the end of the year and the start of the Winter Session. So busy in fact, that we just realized you all will be taking a break from us soon. Before our melancholy sets in, and before you leave us, there are a few things to keep in mind:

WINTER SESSION ENROLLMENT

Catalogs will be mailed and posted online on November 5 – the same day that enrollment opens to everyone not currently enrolled. Currently enrolled students may enroll online now – if you have any problems, or if you just prefer to enroll in person, stop by the office and we will be happy to help you.

GIVING

As 2019 comes to a close, please consider a contribution to our annual fundraising campaign, join the Alfred and Hanna Fromm Legacy Society, or simply remember us on Giving Tuesday (November 26, 2019). To donate to the Fromm Institute or to ensure our future through your estate plan, call us at **415-422-6805**, or visit <https://fromminstitute.org/giving> and click on the ‘**DONATE NOW**’ box at the top of the page. Thank you for your continued generosity.

THANK YOU

As we end the session, the Fromm Institute Administrative team joins me in thanking all of our members for an enjoyable, gratifying Fall 2019 Session. Our faculty leads rewarding classes, and we know you will join us in thanking them for that. One of the things that makes the Fromm Institute so special to so many is the community here. Each one of you play a part in that. In a world where generosity and kindness are often lacking, we are all truly blessed to come to the Fromm Institute regularly where those things are common occurrences. Thank you all for the community you help to create here – we look forward to making it happen every Session.

HOLIDAY SESSION TICKETS SELLING OUT

For those who've yet to be a part of our season of sharing, our December Holiday Lectures are two days of outstanding talks, centered around two sumptuous meals that bring us together to celebrate “auld lang syne.” This year on **Tuesday, December 10** and **Wednesday, December 11**, Fromm Hall will be seasonally decorated to celebrate the winter solstice and the joyous ceremonies of so many faiths that surround it. This year we have a day of music with **Prof. Kip Cranna** on the works of Jake Heggie and **Oakland Symphony's Music Director Michael Morgan** on Tuesday, December 10. Then on Wednesday, December 11, it's a day of art with **Prof. Sunnie Evers** exploring the Virgin Mary and **Prof. Margaretta K. Mitchell** lecturing on ten important women photographers.

The \$95 price includes the morning and afternoon lectures and lunch for each day and also includes a **\$43 tax-deductible contribution to The Fromm Gerontology Scholarship** that grants a deserving USF Junior year student in the University's Gerontology Program our \$5000 award toward Senior year tuition.

Tickets are now available in the Fromm Institute Office. You can purchase them now for one day, or both. These tickets are going fast so you are advised that there are only 200 available per day and will more than likely be gone by the middle of November.

FROMM'S FALL MEDICAL LECTURE SERIES

Thank you Dr. Cheitlin for coordinating this year's stellar Medical Lecture Series.

WHAT'S UP WITH MAKE-UP WEEK
